Your body can live without a lot of calories, but it cannot live without a lot of nutrition. The concept behind David Sandoval's 10 Day Transformation is really quite simple. The program uses nutrient-dense superfoods, slow-burning carbohydrates and highly digestible protein and is all vegan and all natural. The 10 Day Transformation products include the Power Shake (pure nutrition, comes in two flavors: Apple Berry or Original), Super Amino 23 (pure protein), Apothe-Cherry (pure tart cherries/melatonin/antioxidants), Super CleansR (pure herbal detox blend) and Super Lytes (pure hydration and electrolytes) along with a BPA-Free Shaker Bottle, Tape Measure and Gym Bag.

We have "2 Ways to Win"; using these products you can follow either the 10-Day Transformation Cleanse schedule OR the 10-Day Lifestyle Transformation schedule provided in the Transformation Support Guide.

Using either program, you can expect to lose anywhere from 5 - 20 lbs in 10 days. If you lose 5 lbs / 3 inches, you are in the running to win a free Detox-A-Vacation at David Sandoval's Native Springs Oasis Retreat center for you and 5 of your friends (enter to win at www.transformationenrollment.com).
