Product Summary

Everything you need to know about barley grass, wheatgrass, Kamut, chorella, spirulina and more -
Based on decades of research by David Sandoval - Comprehensive info on green foods - Contains scientifically validated information - Informative yet easy to read

David Sandoval's The Green Foods Bible is a comprehensive tome on every edible green food; from grasses to algae, to both sea and land vegetables - it covers it all. The Green Foods Bible is the first to focus on the scientific validations that show green foods are beneficial in healing the body. Learn the evolution of green food and how "Chlorophyll Could Save the World," read about "Our Current State of Disease- and How Green Foods Can Heal Us," and much, much more.

Forward by Keith I. Block, MD, Medical & Scientific Director, Block Center for Integrative Cancer Treatment and the Institute for Integrative Cancer Research and Education; Evanston, Illinois.
